

YOUNG PROFESSIONALS PROGRAM

Thank you for your interest in hosting a Let's Fix Construction Young Professionals Program. Geared for the 35 and younger market, including high school and college students, this workshop is ideal for those who are looking to learn more about the construction industry, network with seasoned professionals, and have fun with their peers.

As with all Let's Fix Construction workshops, this program is fully customizable and adaptable to meet the needs of the host, including gearing it towards specific firms, industries or demographics.

A Young Professionals Program could include:

- Networking Tips and Advice
- Speed Mentoring
- Social Event outside of the conference space (breakfast, Happy Hour or Evening)
- Specs 101 Program
- Let's Fix Construction Workshop
- Education geared specifically to their demographic
- Any Tradeshow/Expo Floor

Rough Agenda concept:

- 7:00am – 8:00am Coffee / Continental breakfast / Mingling / Check-In
- 8:00am – 8:30am Introductions/Concept/Agenda/Goals
- 8:30am – 9:00am Networking Tips and Advice (at CSC Conference & in the industry)
 - *Networking is important. We will guide you on the best ways to make new industry connections.*
- 9:00am – 11:30am Speed Mentoring
 - *Meet one on one or in very small groups with leaders across the industry. Learn more about their career paths, challenges they have overcome, and advice they have for those just starting out. You get to ask anything you want!*
- 11:30am – Noon Set Yourself Apart
 - *Explore ways that Young Professionals can set themselves apart and stand out among their peers on the road to leadership and success.*
- Noon – 1:00pm Lunch on Your Own (or curated YP social lunch)

Rough Afternoon concept:

- Individual Education Session(s) hand selected from local Program
- Specs 101 (90-minute session)
- Let's Fix Construction workshop
- Tradeshow/Expo Floor
